

# VOTE – June 5 Election

## Judge of the Superior Court

**Richard Wilson**

*The choice for positive change*

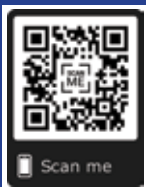

This is a rare contested judicial election in San Mateo County and an important opportunity to vote for who will be judge.

Rick is the forward-looking choice for this judicial office.

- ✓ Fair and equitable to all; honest.
- ✓ Qualified and respected – 30 years of successful litigation experience in public and private practice in California.
- ✓ Committed to this community – Rick and his wife, Marie, raised their children in this county and are thankful to live here.

Remember incumbent Judge G. Buchwald's **Martin's Beach** decision completely denying public access rights and siding with the billionaire, even declaring his ownership included off-shore submerged tidelands – **strongly reversed on appeal**. Questions abound with other decisions.
